

UP SKILL WORKS

Partnering to Build
a More Competitive
Houston Workforce

The Greater Houston Partnership's first UpSkill Works conference will be held on June 26, 2018 at the University of Houston's Hilton Hotel.

In support of Upskill Houston, the Greater Houston Partnership's initiative to increase awareness of skilled technical careers and high-growth industries, the Partnership presents the inaugural UpSkill Works event. Featuring a panel and luncheon keynote by Robert Kaplan, President and CEO of the Federal Reserve Bank of Dallas, this event will address how employers can adopt effective practices to improve the skilled talent they require, and at the same time meet the region's needs to remain globally competitive.
